

**Brentwood Campus, Long Island University**  
**Graduate Waiver of Admissions Credentials and Application for Limited Matriculation**

Applicants are asked to refer to the attached list of Admissions Requirements for Graduate Students. This list details the requirements for full matriculation in each of the Graduate programs offered at the Brentwood Campus of Long Island University.

Fulfilling these requirements can sometimes take an extended period of time. In such cases, an applicant may prefer to register for classes before being accepted as fully matriculated student. A limited matriculation status is often granted in such instances.

To apply for this status, an applicant must submit this Waiver of Admissions Credentials form. The form may be submitted at any time, **but will only be processed when accompanied by a photocopy of the applicant's transcripts** from his/her bachelor's degree-granting institution. An appropriate GPA must be demonstrated on these transcripts. Documents that are unofficial or missing the applicant's final semester of coursework will be accepted for purposes of requesting Limited Matriculation.

**Please note:** Financial Aid and/or scholarships cannot be processed until all requirements have been satisfied. Awards are dispersed on a "funds-available" basis. It is therefore to your advantage to complete your admissions file as quickly as possible.
